

## Declaration of end user and product application

Dear Valued customer,

OXIDE Corporation is required to comply with export control regulations. We would appreciate if you could answer the following questions and provide the signature of an authorized person in your organization. Thank you for your understanding.

1. Please specify OXIDE product ("Product") you are looking for and its expected application.

**OXIDE Product name:** \_\_\_\_\_

**Application:** \_\_\_\_\_

2. Please confirm that the above-mentioned Product shall not be used for the development, production and/or use of the weapons of mass destruction (WMD), namely nuclear weapons, chemical weapons, biological weapons, and WMD delivery systems such as missiles. Additionally, the product(s) shall not be used in any nuclear explosive activity, nuclear fuel-cycle activity and/or heavy water production that is not covered by IAEA safeguards. The item(s) shall be used for civil purpose only.

Confirm

Do Not Confirm

3. I (We) hereby declare that I (We) will use or consume the Product only for the purpose described in question 1, and that I (We) will not sell or transfer the product(s) to any third parties without prior written consent from OXIDE Corporation. The third parties mentioned herein include any sections and laboratories within my (our) entity or organization.

Confirm

Do Not Confirm

4. If the Product is a CLBO crystal or any other OXIDE product containing CLBO, please check the applicable option(s) below.

CLBO will be used for "patterned wafer inspection equipment".

Note: If CLBO will be used for patterned wafer inspection equipment, prior approval from Japanese government may be required.

CLBO will be used for purposes other than patterned wafer inspection equipment.
